THE METROPOLITAN EXAMINATION

FOR THE

Diploma of Licentiatehip of the Royal Academy of Music

OPEN TO

MUSICAL COMPOSERS OR PERFORMERS AND TEACHERS

is held twice a year at the Royal Academy of Music—viz., during the Academy Summer and Christmas vacations.

Candidates must enter their names with the Secretary upon a form of application which may be obtained from him, free of charge, stating in which Subject they wish to be examined, and (as regards Subjects I. and II.) in which Class of that Subject. There will be two periods of Examination: the *First* about the end of September, 1899, and the *Second* about the end of December, 1899, and the beginning of January, 1900. Candidates who wish to be examined during the **First period (September, 1899)** must enter their names and pay a fee of One Guinea on or before **Monday, 31st July, 1899**, and a further sum of Four Guineas on or before Thursday, 31st August, 1899—Five Guineas in all. Candidates who wish to be examined during the **Second period (December, 1899, and January, 1900)** must enter their names and pay a fee of One Guinea on or before **Tuesday, 31st October, 1899**, and a further sum of Four Guineas on or before Thursday, 30th November, 1899—Five Guineas in all. Candidates who wish to be examined in more than one Subject must enter their names and pay the full fee for each Subject. If any Candidate whose name has been entered fails to attend the Examination, the fee paid will be forfeited. Any Candidate in Subjects I. or VI. whose exercise has been approved, and who has been unsuccessful in the further Examination, may enter for a second time without submitting a second exercise, but must again pay the full fee.

Candidates in Subjects II., III., IV., and V. bringing for performance any piece or pieces not included in the lists provided in the respective subjects will be thereby disqualified.

No special fingering is required in subjects III., IV., and V., nor need any particular edition of works be used, except where expressly mentioned.

All Candidates (except in Subjects I. and VI., and excepting such as hold any of the following British diplomas:—Mus. Doc., Mus. Bac., F.R.A.M., A.R.A.M., L.R.A.M., A.R.C.M., F.R.C.O., and A.R.C.O.) will be required to work a paper on the Rudiments of Music, and on Harmony, as far as the triads formed on the different degrees of the major and minor scales, with their inversions, and dominant sevenths, with their inversions.* The theoretical and practical parts of the examination will be held on the same day. Two hours will be allowed for the working of this paper. Candidates claiming exemption must send proofs, in support of such claim, with their application.

In order to pass, Candidates are required to obtain at least seventy-five per cent. of the possible number of marks in each branch of the examination. Those, however, who fail to obtain this percentage in the **THEORETICAL** portion will be permitted to attend either of the next two Examinations, in that branch only, upon payment of a further fee of one guinea, provided that they shall have satisfied the examiners in their practical Examination; and such of them as succeed at this further trial will be qualified for election as Licentiates.

Candidates who fail at this further trial will, should they enter again, be required to pay the full fee and be examined in both the practical and theoretical portions of their subject. Those who, while successful in the theoretical branch, fail in the practical portion of their examination, will be required to undergo both branches of the examination should they again become Candidates.

Candidates who satisfy the Examiners in both portions of their examination (theoretical and practical) in any Subject will be created **LICENTIATES OF THE ROYAL ACADEMY OF MUSIC**. They receive a Diploma to that effect, signed by the Principal of the Academy and a Director; and have their names publicly announced. The Licentiate Diploma certifies that the recipient is, in the judgment of the Examiners, competent to practise the specified branch of the musical profession. The Diploma also states whether such competency be as a composer, performer, or teacher, or any combination of these.

Licentiates have the exclusive right to append the initials L.R.A.M. to their names.

In the absence of any request to the contrary, the Diplomas will, after they have been formally submitted to the Board of Directors at their Annual General Meeting about the end of March, be sent to the addresses given by the Candidates on their forms of entry.

CANDIDATES WHO HAVE SATISFIED THE EXAMINERS IN ANY CLASS, OF ANY SUBJECT, WILL BE ELIGIBLE AS CANDIDATES IN ANY OTHER CLASS OF THE SAME SUBJECT AT A SUBSEQUENT EXAMINATION.

On payment of an enquiry fee of five shillings, Candidates will be informed, after the completion of the Examination, as to the number of marks awarded to them in the various branches of their Examination. Marks cannot be stated for examinations prior to that of 1893-94.

The Committee of Management reserve to themselves the right of varying the Boards of Examiners and of appointing Examiners in addition to those herein specified, should occasion arise.

Examination Papers of twelve former years in Subject I., and the Papers on Rudiments of Music (Nos. 8 to 17, inclusive, ten in all), may be purchased at the Academy. Price Sixpence each.

* Among others, the following Books will be found useful:—"Elements of Music," F. W. Davenport; "Rudiments of Music," W. H. Cummings; "Introduction to the Elements of Music," F. Niecks; "Music," H. SUBJECT I.—Counterpoint, Harmony, Plan or Design, and Instrumentation.

Class A, COMPOSERS AND TEACHERS; Class B, TEACHERS.

Candidates in Class A, on entering their names, must submit an Exercise for approval by the Board of Examiners.

This Exercise must consist of one instrumental movement in the form of the first movement of a symphony, and one piece for a solo voice, and also one comprising a fugue for chorus; the first to be written for, and the last two to have accompaniment for, an orchestra. The exercise is intended to be a test of Scholarship and will be judged accordingly; but if it show also indications of natural musical ability, this will strengthen its likelihood of approval. The Exercise must not bear the Candidate's Name, but a Motto. The name to be enclosed in a sealed envelope, bearing the aforesaid Motto. Should the exercise not be approved, the Candidate will have the option of either retiring without further payment or of becoming a Candidate in Class B, on payment of the further sum of four guineas.

Candidates must give a written declaration^a that the exercise is their own *unaided* work, composed for the occasion.

Candidates in Class B, and those in Class A whose exercises may be approved by the Board, will be called for examination, and will then be required to work a paper, which will include tests in Single Counterpoint of not more than five parts, also in Double and Triple Counterpoint and Canon; in advanced Harmony of not more than five parts; in scoring of given passages for Orchestral and for Chamber Instruments; and in knowledge of the relation of Subject and Answer in a Fugue.

Candidates in both classes will be catechised in Counterpoint, Harmony, and Plan, and as to the character and capabilities of voices and instruments. They will also be required to make spoken analysis of Schumann's Quintet in E flat, Op. 44, for Pianoforte and Strings (the whole work). They will, further, be required to play from vocal and orchestral score and from figured bass.

The *vivâ voce* examination will last about half-an-hour.

SUBJECT II.—Singing.

Both classes will be required to sing diatonic and chromatic studies, copies of which will be given to Candidates when they enter their names, or may be purchased at the Academy at any time (price 1s.); and they will be required to sing, in the language in which the title is given, one piece of their own selection from each of the following two lists for their respective voices (two pieces in all). The pieces are to be chosen so as to exemplify either the *declamatory** or sustained style in one and the *florid** style in the other. Candidates must sing a Recitative; therefore, should neither of their selected pieces be associated with one, then the Recitative connected with any other piece in either list may be chosen.

* Those pieces marked D are in either the declamatory or sustained style; those marked F are in the florid style.

Candidates in Class C will be required to sing their pieces from memory.
